The Court GRANTS defendant's motion for rehearing, to the extent that we vacate our May 15, 2009 order remanding to the circuit court for resentencing, since defendant did not challenge the sentence as invalid. The April 14, 2008 judgment of sentence is therefore reinstated. We further REMAND for correction of the judgment of sentence to conform with the order to remit prisoner funds for fines, costs and assessments dated April 14, 2008. The Court further orders that defendant's motion for rehearing, insofar as it concerns defendant's previous motion to vacate court costs, is DENIED.
